

## **MEDIA ALERT: ORBCOMM TO SPEAK AT CTIA SUPER MOBILITY 2016 AND APP-SOLUTELY IOT CONFERENCE**

*Sessions focus on defining the IoT landscape and developing and deploying innovative M2M/IoT solutions and connectivity technologies in the market*

**Rochelle Park, NJ, September 1, 2016** – ORBCOMM Inc. (Nasdaq: ORBC), a global provider of Machine-to-Machine (M2M) and Internet of Things (IoT) solutions, today announced that Christian Allred, ORBCOMM’s Senior Vice President and General Manager of Global Sales, will be presenting at [CTIA Super Mobility 2016](#) as part of the M2M Zone’s IoT Leadership Forum on Thursday, September 8, 2016, at the Sands Expo and Convention Center in Las Vegas, NV. Mr. Allred’s presentation is titled, “Enabling the IoT,” and will focus on the components that make up M2M/IoT solutions and detail best practices for developing and deploying these solutions in the market.

Craig Malone, ORBCOMM’s Executive Vice President of Product Development, and Bill Molesworth, ORBCOMM’s Vice President of Wireless Services, will be presenting at the [APP-Solutely IoT Conference](#) on Thursday, September 8, 2016, which is sponsored by 151 Advisors and is co-located with CTIA Super Mobility 2016. Mr. Malone will participate in the Hardware and Devices Panel, which will highlight the many capabilities of Internet-enabled products in the market today. Mr. Molesworth will participate in the Connectivity and Platforms Panel, which will explore the options to cost-effectively deploy and manage devices in the field along with innovative connectivity technologies on the horizon.

### **Following are details for the sessions:**

**What:** CTIA Super Mobility 2016 and APP-SOLUTELY IoT Conference

**When:** Thursday, September 8, 2016

**Who:** **Christian Allred:** “Enabling the IoT” from 3:00 pm – 3:20 pm PT at the M2M Zone Pavilion

**Craig Malone:** Hardware and Devices Panel from 12:20 pm – 1:05 pm PT in Murano 3301

**Bill Molesworth:** Connectivity and Platforms Panel from 1:40pm – 2:25 pm PT in Murano 3301

**Where:** Sands Expo and Convention Center in Las Vegas, NV

### **About the Speakers:**

**Christian Allred** is ORBCOMM's Senior Vice President and General Manager of Global Sales. Mr. Allred has more than 20 years of experience in managing global sales and marketing teams for companies within the M2M and IoT industries and building sales distribution channels primarily throughout Latin America, Europe, Middle East, Africa and Asia. Currently, he is responsible for growing ORBCOMM's enterprise solutions and network services businesses globally across a wide range of vertical markets as well as managing its regulatory and licensing efforts.

**Craig Malone** joined ORBCOMM in 2011 as the Senior Vice President of Product Development. Mr. Malone has over 20 years of experience in leading teams engaged in the development of innovative products and solutions for the M2M/IoT, wireless and telecommunications industries. Prior to ORBCOMM, Mr. Malone was the Senior Vice President of Product Development and Operations at Skybitz. He also served as the Vice President of Product Development and Chief Technology Officer at GeoLogic Solutions and held executive positions at Philips Electronics and Raytheon Company. Mr. Malone received his M.S. in Physics from Worcester Polytechnic Institute and his B.S. in Physics from the University of Massachusetts.

**Bill Molesworth** is ORBCOMM's Vice President of Wireless Services and manages the company's terrestrial wireless business. Mr. Molesworth is a 14-year veteran of ORBCOMM and has previously held Vice President positions in business development and partner/alliance management. Bill's career spans a broad range of technology industries with extensive experience in the consumer electronics manufacturing, telecommunications, wireless IT solutions and M2M/IoT markets.

### **Forward-Looking Statements**

Certain statements discussed in this press release constitute forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. These forward-looking statements generally relate to our plans, objectives and expectations for future events and include statements about our expectations, beliefs, plans, objectives, intentions, assumptions and other statements that are not historical facts. Such forward-looking statements, including those concerning the Company's expectations, are subject to known and unknown risks and uncertainties, which could cause actual results to differ materially from the results, projected, expected or implied by the forward-looking statements, some of which are beyond the Company's control, that may cause the Company's actual results, performance or achievements, or industry results, to be materially different from any future results, performance or achievements expressed or implied by such forward-looking statements. In addition, specific consideration should be given to various factors described in Part I, Item 1A. "Risk Factors" and Part II, Item 7. "Management's Discussion and Analysis of Financial Condition and Results of Operations," and elsewhere in our Annual Report on Form 10-K for the year ended December 31, 2015, and other documents, on file with the Securities and Exchange Commission. The Company undertakes no obligation to publicly revise any forward-looking statements or cautionary factors, except as required by law.
