

# SAMSUNG

## When business takes you on the road, take business with you.

# Galaxy Tab<sup>®</sup> A

## Maximize mobility and productivity while ensuring security.

Empower your team to work from anywhere. The Samsung Galaxy Tab A Wi-Fi and LTE tablets are powerful business tools designed to improve productivity and workflow efficiencies throughout the mobile enterprise. Productivity is improved through real-time communication, and Samsung Knox™ enterprise-grade security protects sensitive data. They're the ideal field companion for workforces on the move.

### Facilitate Mobility Anywhere

The thin, lightweight design of the Galaxy Tab A tablets allows employees to work from anywhere, and enable better productivity, collaboration and communication. With up to 15 hours of battery life<sup>1</sup> (Tab A 10.5"), they can be productive all day. Add optional keyboards and a case with stand for powerful productivity solutions.

### Enhanced Power and Connectivity

Android Oreo 8.1 provides enhanced business features such as battery-saving capabilities, multi-window multitasking,<sup>2</sup> and enhanced security. Connectivity includes Dual Band Wi-Fi, Wi-Fi Direct, LTE and Bluetooth 4.2. And processors of up to 1.8 GHz octa-core (Tab A 10.5") provide powerful performance.

### Enterprise Security and Mobility Management

Protect sensitive data with the Samsung Knox defense-grade security platform. Samsung Knox IT solutions provide end-to-end solutions that are trusted and secure. Explore your options from device configuration, deployment and maintenance, to enterprise mobility management, to data protection and container solutions.<sup>3</sup>
