

ORBCOMM SELECTED AS 2016 HONOREE BY ASSOCIATION FOR CORPORATE GROWTH NEW JERSEY

Recognizes the company for exemplifying innovation, excellence and dynamic corporate growth

Rochelle Park, NJ, February 4, 2016 – ORBCOMM Inc. (Nasdaq: ORBC), a global provider of Machine-to-Machine (M2M) and Internet of Things (IoT) solutions, today announced that it is one of four prestigious New Jersey companies to have been chosen as an honoree for the 2016 Association for Corporate Growth (ACG) NJ Corporate Conference and Awards Program. The award honors middle market companies with operations in NJ that have revenue between \$5 million and \$500 million and that have quantifiably grown through an innovative business model, deal or best practice.

“We are proud to be recognized by ACG NJ for our consistently innovative strategies across the business as well as for our long-term sustainability and growth,” said Marc Eisenberg, ORBCOMM’s Chief Executive Officer. “ORBCOMM’s continued dynamic growth is a result of our ability to leverage in-house technology innovation, expand our capabilities and market reach through strategic acquisitions and collaborate with our fellow industry leaders, and we look forward to achieving even greater success in 2016 and beyond.”

Pamela Harper, Chair of the 2016 ACG NJ Corporate Growth Conference & Awards and a Director on ACG NJ’s Board, noted that there were an impressive number of nominations, resulting in tough decisions by the selection committee. “We were thrilled with all the options, and we were equally delighted by the high quality of the submissions.”

The CEOs of the four companies being honored will participate in a panel discussion, sharing their insights and best practices at the May 10, 2016 awards breakfast to be held at the Palace at Somerset Park in Somerset, NJ. They will be joined on the podium by keynote speaker Judy Spires, President and CEO of Kings Food Markets, who will be the recipient of the 2016 ACG NJ Corporate Lifetime Achievement Award.

“We are expecting a record crowd,” said Sally Glick, President of ACG NJ. “Every astute business owner and service provider is going to want to hear how these four CEOs achieved such a high level of success in their corporations. Given that we are recognizing two companies with \$5-50 million in annual revenues and two companies with \$50-500 million in revenues, there will be something for everyone in the room to immediately adapt to their own situations and company culture.”
