ORBCOMM MOVES ITS INNOVATION AND NETWORK CONTROL CENTER TO NEW LOCATION IN NORTHERN VIRGINIA

Sterling, VA, April 16, 2014 – ORBCOMM Inc. (Nasdaq: ORBC), a global provider of Machine-to-Machine (M2M) solutions, today announced that it has relocated its Innovation and Network Control Center to a newly renovated facility just minutes from its current location in Dulles, VA, on April 14, 2014.

“Our new Innovation and Network Control Center was specifically designed to accommodate the continued growth and expansion of our business,” said Marc Eisenberg, Chief Executive Officer. “This state-of-the-art facility allows us to bring together key engineering, product development, customer service, sales, and marketing capabilities. It also houses our Network Control Center, which is the focal point for managing ORBCOMM’s global satellite constellation and terrestrial networks as well as preparing for our first OG2 satellite launch next month.”

ORBCOMM is leasing more than 27,000 square feet at the Loudoun Gateway office complex, which is located at 22970 Indian Creek Drive, Suite 300, Sterling, VA 20166. Kane Construction managed the facility construction of ORBCOMM’s new Innovation Center.

All phone numbers, fax numbers and email addresses will remain the same for ORBCOMM employees located at the new location.

About ORBCOMM Inc.
ORBCOMM is a global provider of Machine-to-Machine (M2M) solutions. Its customers include Caterpillar Inc., Doosan Infracore America, Hitachi Construction Machinery, Hyundai Heavy Industries, I.D. Systems, Inc., Komatsu Ltd., Cartrack (Pty.) Ltd., and Volvo Construction Equipment, among other industry leaders. By means of a global network of low-earth orbit (LEO) satellites and accompanying ground infrastructure as well as our Tier One cellular partners, ORBCOMM’s low-cost and reliable two-way data communication services track, monitor and control mobile and fixed assets in our core markets: commercial transportation; heavy equipment; industrial fixed assets; marine; and homeland security.

ORBCOMM is an innovator and leading provider of tracking, monitoring and control services for the transportation market. Under its ReeferTrak®, GenTrak™, GlobalTrak®, and CargoWatch® brands, the company provides customers with the ability to proactively monitor, manage and remotely control their cold chain and dry transport assets. Additionally, ORBCOMM provides Automatic Identification System (AIS) data services for vessel tracking and to improve maritime safety to government and commercial customers worldwide. ORBCOMM is headquartered in Rochelle Park, New Jersey and has its network control center in Dulles, Virginia. For more information, visit www.orbcomm.com.
Forward-Looking Statements

Certain statements discussed in this press release constitute forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. These forward-looking statements generally relate to our plans, objectives and expectations for future events and include statements about our expectations, beliefs, plans, objectives, intentions, assumptions and other statements that are not historical facts. Such forward-looking statements, including those concerning the Company’s expectations, are subject to known and unknown risks and uncertainties, which could cause actual results to differ materially from the results, projected, expected or implied by the forward-looking statements, some of which are beyond the Company’s control, that may cause the Company’s actual results, performance or achievements, or industry results, to be materially different from any future results, performance or achievements expressed or implied by such forward-looking statements. In addition, specific consideration should be given to various factors described in Part I, Item 1A. “Risk Factors” and Part II, Item 7. “Management’s Discussion and Analysis of Financial Condition and Results of Operations,” and elsewhere in our Annual Report on Form 10-K for the year ended December 31, 2012, and other documents, on file with the Securities and Exchange Commission. The Company undertakes no obligation to publicly revise any forward-looking statements or cautionary factors, except as required by law.
